**Candidate's Profile:** The project is addressed to graduates of biology and chemistry. Candidates should have at least one year experience in the chemical or biological laboratory work. Candidates with strong biochemical experience are preferred. Good spoken and written English is desirable.

**Conditions and mode of recruitment:**  
The candidates are obliged to submit the following documents to the Project Manager:  
- a cover letter presenting the candidate's qualifications for the position (s)he is applying for (in English),  
- a CV including the candidate's scientific output (in English),  
- names of two people who can give references,  
- duplicate of diploma including marks and other applicable documents confirming the completion of MSc studies.

An electronic copy of application documents is acceptable. The Principle Investigator will contact the referees and ask for references. Positive recommendations will be a prerequisite for qualifying to the next stage of recruitment.

Please include the following clause in the submitted documentation:  
"I hereby give consent for my personal data included in the submitted offers to be processed for the purposes of recruitment, pursuant to the Data Protection Act of 29/08/1997 (Journal of Laws Dz.U. No. 133 item 883)."

The above-mentioned documents should be submitted to the Principle Investigator: Dr. Krzysztof Brzezinski (phone: 85 745 7849), ul. Hurtowa 1, 15-399 Bialystok, k.brzezinski@uwb.edu.pl by March 15, 2014.  
Documents submitted after the deadline will not be considered for the competition procedure.

The qualification is conducted in the mode of competition in which the following criteria will be taken into consideration:  
- research and work experience (50 %),  
- evaluation from the finished higher education institution (15 %),  
- meeting with the candidate, which will be held in English (35%).

1. The Project Manager presenting the job offer reserves the right to contact selected candidates only.  
2. The selected candidates will be invited to the 2nd stage of the competition – an interview held in English.  
3. The candidates who do not come for the interview will not be considered in the ranking.

The final decision will be made not later than on April 1, 2014.  
The position is offered to the best Candidate.
